

# Tokollo Ledwaba | Aspiring Software Engineer

Pretoria, Gauteng · Tokolloledwaba22@gmail.com · 0767839355 · [LinkedIn Profile](#) · [LIVE-PORTFOLIO](#)

---

## PROFILE

Final-year Bachelor of Information Technology student passionate software development with hands-on experience building responsive and interactive applications. Skilled in front-end and back-end development with experience in HTML, CSS, JavaScript, C#, ASP.NET Core and SQL Server. Seeking an entry-level Software Developer or Graduate Developer role where I can contribute to innovative projects and grow as a software engineering professional.

---

## PROJECTS

### Innovative-Tech – E-Commerce Website – [Live Demo](#)

#### Personal Software Development Project

- Designed and developed a responsive e-commerce website for browsing and purchasing electronic products.
- Implemented interactive features including product search, shopping cart, Wishlist functionality and product detail pages using JavaScript.
- Built a modern, user-friendly interface with responsive layouts to ensure a seamless experience across desktop and mobile devices.

- Applied front-end development technologies including HTML, CSS and JavaScript to create dynamic and engaging user interactions.
- Managed version control using Git and GitHub to track development and maintain the project.

## **Cyber Security Intern**

### **Future Interns (1 month Remote)**

February 2026 – March 2026

- Performing vulnerability assessments on websites using tools such as **Nmap** and **OWASP security tools**.
- Analysing phishing emails and identifying common cyber threats.
- Documenting security findings and recommendations in professional reports.
- Publishing project documentation and security analysis in **GitHub repositories**.
- Learning practical cyber security concepts including **network security, vulnerability scanning, and threat analysis**.

## EDUCATION & TRAINING

- **National senior certificate(Matric)** - Tlakale Mashashane Commercial High School (2017 - 2021)
  - **Bachelor of Information Technology (Final Year)**– Nelson Mandela University (2024 – 2026)
    - **Coursework:**
      - Network Optimization and Security (Packet Tracer)
      - Network Management (Packet Tracer)
      - Communication Network fundamentals (Packet Tracer)
      - Introduction to information Technology
      - Programming fundamentals 1A (C#)
      - Programming fundamentals 2A (C#)
      - Applied Programming (Python)
      - Web Application Development (HTML & CSS, WEB APIs, ASP.NET Core)
      - Database Design and Development (Microsoft SQL Server)
- 

## CERTIFICATIONS

- **TryHackMe** : Cyber Security 101 pathway (In-progress)
  - **Future Interns** : Cyber security Remote intern
  - **Cisco** : Introduction to cyber security (Issued April 2024)  
: Introduction to Internet of Things(Issued April 2024)
- 
- 

## TECHNICAL SKILLS

- **Programming:** Python

: Java, HTML & CSS

: C#

: Microsoft SQL server

: R Language
